Chloe Bed - Part 1 of 2

Enveloped in comfort, Chloe is an upholstered bed frame and headrest inspired by modern Italian design. Made with premium European upholstery, the detailed headrest with gentle tufting is a piece of art as much as it is functional. The simple walnut wood halo adds a two-tone accent to the delicate natural sand colored textile. For extra softness, the kiln-dried solid wood bed frame is carefully padded with high-density foam and wrapped in an extra layer of indulgence. Chloe is available in King or Queen.
