Milo 1-Seater - Ottoman

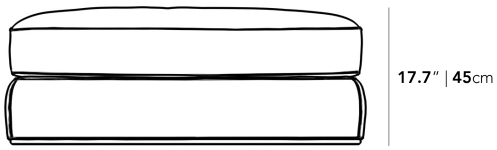

The sleek and flat profile of the Milo Modular Sectional marries sophisticated style with casual comfort. Milo™s subtle curves add visual elegance while delivering plush and stable support for the spacious seating. Milo is a modular design that can be customized to a configuration that fits your unique space. Much like the grandeur of Italian design, Milo is especially suited for large luxury spaces as each sectional piece is formed with more width than the average sofa, providing an overall grander feel for your home. Enjoy our preset configuration or speak to a sales representative about designing your own custom configuration.
