Milo Sleeper Sectional

The sleek and flat profile of the Milo Sleeper Sectional marries sophisticated style with casual comfort. Milo™s subtle curves of the padded armrest add visual elegance while delivering plush and stable support for the spacious seating. Milo features a modern design that can be easily converted into a spacious bed, perfect for when you have guests over. Much like the grandeur of Italian design, Milo is especially suited for luxury spaces as the design of the Milo is formed with more width than the average sectional, providing an overall grander feel for your home. Enjoy our preset configuration or customize your own design by purchasing pieces separately.
